

Southland

Understand the Journey through the Continuum of Care

Our mission at Southland is to build trusting relationships with patients, families, physicians, and all others devoted to patient care in the home.

Southland understands that choosing a Home Health or Hospice company is an important decision. To help you gain a greater understanding of the service delivery system, Southland is offering an information session about the following services and the continuum of care:

Home Health

Palliative Care

Hospice

During the information session we will discuss:

- Services - what is covered and is not covered
- How the services offered within the Continuum of Care can help you and/or your loved one
- Eligibility Requirements

Date: April 20, 2017

Time: 6:30 – 7:30pm

Location: Southland Home Health & Hospice
4527 N. 16th Street, Suites 101 & 104
